

Protective measure to the Novel Coronavirus

Wearing mask

Please be sure to bring mask.

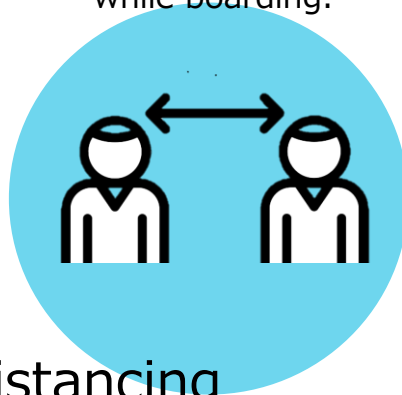

Talking Quietly

Please refrain talking while boarding.

Physical Distancing

Please be aware of physical distancing when getting on and off and while seated.

Protective Measure

◆Driver◆

- Health management (measurement of body temperature before driving / Health check from face to face by operating manager before and after driving)
- Wearing mask, wash hands and gargle, regularly
- Tries to replace the fresh air (while driving and breaks)

◆Bus◆

- Bus with plasma cluster (Exclude some bus)
- Use of air conditioner in outside air introduction mode
(The air inside the bus keeps changing in about five minutes.)
- Cleaning and disinfection of bus (frequently than usual)
- Set up an Air Disinfection in the bus.

Thank you for your kind understanding.
